WHAT WE OFFER...

- Intergrating Montessori Practice -
- Philosophy and Practice
- Infant Specialism

Manchester Montessori Academy is led by two experienced Montessori practitioners who share a passion to help others on their journey to deliver outstanding teaching practice.

Integrating Montessori Practice-Philosophy and Practice

Offering seven units of study that support the knowledge of the Montessori approach, including the philosophy, principles and practice. Learners will be awarded with an IMP: Philosophy and Practice certificate.

IMP: Infant Specialism - Birth to 3

A course specially designed for practitioners who already have gained their early years qualifications and have experience in working with children, preferably infants in a home-based setting or in a nursery.

COURSE DETAILS

- We offer a blended approach - learners self-study through the virtual learning environment and are supported from a designated mentor with group webinar sessions throughout.
- Learners will gain experience with the Montessori materials through demonstrations.
- Our courses are taught in English.
